

## **Strathmore Venom Lacrosse - Open Call for Coaches!**

The Strathmore Venom have put out an open call for new head coaches, and assistant coaches for Strathmore Alberta (Feb.01/12)

Strathmore Venom Lacrosse are putting out an open call to any interested, qualified candidates to take on the challenge of head coach and/or assistant coach, and all the duties and responsibilities that come with that role for Junior B, Tier II/III

All coaches (head coach and assistants) must have the minimum coaching certifications required to coach at the respected levels (Strathmore Lacrosse will work with successful coaches in obtaining the proper certification as required).

The Strathmore Lacrosse off-floor infrastructure has a solid executive to support successful coaches, but should coaching candidates wish to explore expanded job descriptions within the organization then the association would welcome such discussions.

This is an informal screening process (i.e. no formal application). All interest candidates should use the contact information in this release to initiate dialogue with Strathmore Lacrosse Club.
